INTRODUCTION

This Catalogue of Fiction Books Available From Public Library Services, Number 12, 1987 contains approximately 1200 fiction titles. These titles have been added to the Public Library Services collection since the publication of Catalogue Number 9, 1980. Please continue to consult Catalogue Number 9 for additional junior and elementary fiction.

The catalogue has been arranged in alphabetical order, by author.

OPEN SHELF SERVICE

Public Library Services lends books in English and French by mail to individual readers in rural Manitoba who live in municipalities which do not have an established municipal public library or participate in a regional library system. Members are given a registration number, a book catalogue, and an order form with which up to six books may be borrowed for as long as two months. Postage both ways is paid by Public Library Services.

As well as the catalogues of English and French library materials available from Public Library Services, there is a collection of large print books for the use of the visually handicapped. A catalogue is available as well. Public Library Services has access to resources other than those listed in these catalogues and will attempt to fill your subject requests.

Further information and application forms may be obtained by telephoning 945-6466 or writing to:
